TO : Chief, Engineering Division, X

DATE:

25X1

FROM : Chief, Operations and Training Division, OC

25X1

SUBJECT: Placement of [redacted] Equipment

REF: [redacted] dated 2 June 1958

1. It is requested that the Data Transmit Terminal [redacted] System be installed in the Security Division Vault area in room 2401 Eye Building as soon as it is received from [redacted] from L Building Signal Center to the Teleconference Room, 2035 Eye Building can be used as an extension of the audio line between [redacted] and the Signal Center for the line installation. It will then be necessary to install a drop circuit from the patchboard in 2035 Eye Building across the hallway to the Security Division Vault.
